New York, July 27.—The Times' Washington special says:
The case of admissability of negro testimony which lately arose in Alexandria, has been arranged so that cases which may hereafter arise between objored and white people, and in all cases where colored people shall be summoned as witnesses, are, until further orders, to be tried before provost courts, under the 7th paragraph of Circular No. 5, hereforore referred to.

Gen. Roddy has applied for pardon. The Times' Richmond correspondent says: In accordance with the proclamation of Gov. Peirpoint the charter elections came off to-day and were conducted in perfect order. The interests of the community principally contored on the Sheriffsity and successor to Jos. Mayo the former Mayor. J. Wright, ex Deputy Sheriff was elected overthree others by a plurality of 189 votes, defeating H. Kelleson, who has held office for several terms. N. A. Sturdevant was elected Mayor over Wm. Tyler by 614 majority. Mr. Tyler, is an old and respected merchant. Mr. Sturdevant is a young lawyer of good standing and ability. Both of these newly elected officials entered the robel army after the passage of the conscript act, and continued to serve until the surrender of Lee. Judge W. H. Lyons was re-elected Clerk of the Hustings Court by 336 majority over J. L. Cronshaw, a gentleman who had lost a limb in the rebel service.—Marmaduke Johnson, ex-rebel officer was elected. Att'y, for the Circuit Court, tover L. Tazwell, by 856 majority. The aggregate vote polled is about 500 Jess than in April 1881, just prior to the ordinance of secession.

The Heraid's Fortress Monroe correspondent says Jeff. Davis's health has failed to such an extent that he has been permitted to take out door exercise—that is out side his casemate, but inside the fortress. Dr. Craven advised this, saying that unless it was granted he could not live much longer. Mr. Clay, through his physician, has secured the same privilege. A guard accompanied

New York, July 27.—The Herald's
Washington special has the following:
The affairs of the freedmen in Arkansas are represented as in a most prosperous condition. In a report received to-day at the Freedmen's Burean, from Col. Strong, now making astour of examination in that portion of the South for the purpose of observing the workings of the system now being tested by the Bureau, the writer says:

In the Little Rock districtatione, there are \$,080 freedmen who are now employed, in pursuance of orders from the Secretary of War, at the following rates of wages: first-class male laborers receive from \$25 to \$50 dollars per month, and rations; first-class women laborers receive from \$25 to \$50 dollars per month, and rations, One-half of the wages of these employees are paid to them every two months, and the balance is ordered to be retained for them to the end of the year. Of the above number of hiborers, of the profess to be entirely satisfied with the labor they receive from the freedmen, and have but little trouble with their employees. They claim, however, that the established rate of wages is too high, and that they have to pay one-third more than is charged at any point in the Mississippi Valley. They estimate that their cotton will cost them from 20 to 25 cents per pound, when baled and ready for market. Col. Strong remarks, in this connection, that if the planters are not in finult in their calculations, no money will be made on the cotton.

Among the numerous applicants for pardon, was the late rebel General Dick Taylor, who arrived here to-day, and is at Willard's Hotel.

The Navy Department is informed that the Dictator made ten knots an hour going intoopt, and the informatic disease has baffled the skill of even the most skillful physicians.

CONCORD, N. H., July, 27.—Demonstrations of a serious riot were matter here during last night by some 200 returned soldiers, which commenced by their threats to clean out the clothing store under the Eagle Hotel, the proprietor of which charged a soldier with attempting to steal a suit of clothes.—After breaking some windows the soldiers proceeded to the jail and demanded the release of two of their number who had been arrested and threatened to demolish the jail. At this time two companies of Veteran Reserves were ordered out and the riotous soldiery scattered in different directions. There is much sympathy felt for the soldiers, who it is alleged, are unnecessarily kept out of their pay and discharge papers. Trouble Among the Soldiers.
